## **A10 Clinical Solutions Ranks Number 328 in Prestigious *Inc. 500* Fastest-Growing Private Companies**

**CARY, NC** – August 23, 2011 – [A10 Clinical Solutions, Inc.](#), a clinical research and clinical care company, today announced that the company was named to the prestigious *Inc. 500* list, a compendium of the most entrepreneurial and fastest-growing companies in America. This is the company's second year appearing on the list, having ranked No. 92 in 2010.

A10 President and CEO Leah Brown says of the ranking, "*Inc.* magazine is the authority on entrepreneurship, and is required reading for any growing enterprise. We are thrilled to have been named by *Inc.* as one of the nation's top entrepreneurial companies. A10 continues to differentiate ourselves as a leader in our space, delivering quality healthcare solutions and superior clinical expertise to our valued clients." Brown continued, "I thank *Inc.* magazine for its ongoing commitment to entrepreneurship. I commend all the companies on this year's list for their strong performance and growth, which is most impressive in today's challenging economic climate. And most of all, I thank my dedicated and unwavering staff and clients who are the keys to A10's success."

This year, A10 placed in the top 500 of the list at number 328 overall, with an extraordinary three-year growth rate of 1,011.3%. Within its own industry segment, Health, A10 ranks No. 24 in the country. A10 is well-placed for future growth – a prospect that excites Brown. "The healthcare industry is thriving and companies like A10 that deliver quality resources to help discover new health cures and enable companies to get investigative new drugs to market faster will have a dramatic growth story for years to come."

The 2011 *Inc. 500* serves as a unique report card on the U.S. economy. Despite ongoing recession, Health remains a thriving industry on this list and A10 is a top Health industry leader. The companies on the *Inc. 500* have collectively generated 35,823 jobs over three years.

A10 Clinical Solutions, Inc. will celebrate with fellow award winners at the *Inc. 500/5000* Conference in Washington, DC, in September.
